Fold sleeve (with RS on the inside, WS facing you) and mark the middle at the top of the sleeve. Adjust sleeves to the sides of the cardigan; the marker should be exactly on the shoulder seam. Sew sleeves with neat stitches in the side seam, into the armholes; sew side seams of cardigan and sleeves.

Turn your cardigan inside out. Fasten off and weave in all ends.

Sew 2 cardigan fasteners in the middle of the FP/BP section.

Enjoy crocheting and enjoy your crocheted cardigan!
