WEEK 9 BOTTOM TAPESTRY PANEL ROWS 1-21

PATTERN NOTES

- This part is crocheted in tapestry crochet again, back and forth in rows at the bottom of the blanket.
- Important Note: Don't use the tapestry technique at the beginning and end of each row. Begin each row with Yarn A, change to a new colour as stated and continue with both yarns to the last repeat with contrast colour at the end of the row. Drop new colour after last repeat with contrast yarn and finish it with Yarn A only. On the next row, pick up contrast colour as stated. Make sure floats of yarn always stay on the WS.
