### TIPS & TRICKS | UK COLOUR LAB CAL

This document contains all the information you will need to start the CAL, including Materials, Measurements, Gauge/Tension, Abbreviations, Special Abbreviations, Pattern Notes and Chart Notes. It also includes details on special techniques used in this pattern, and further information including skill level and the colourways. Practise any stitches you aren't familiar with during the week before Part 1 is released, and continue to refer to this document during each week of the CAL.

#### **MATERIALS**

Metropolis Version

Scheepjes Metropolis (75% Extra Fine Merino Wool, 25% Nylon; 50g/200m)

Yarn A: 025 Nice x 8 balls (+ 1 x 10g ball from colour pack)

Yarn B: 079 Munich x 4 balls (+ 1 x 10g ball from colour pack)

Yarn C: 069 Miami x 5 balls (+ 1 x 10g ball from colour pack)

Scheepjes Metropolis Colour Pack (75% Extra Fine Merino Wool, 25% Nylon;

80 x 10g/25m)

Yarns D-BBBB: see relevant colourway schematic (Schematics 1-3) or assign your own colours using the Colour Lab booklet (included in Official Scheepjes CAL Kits)

2mm crochet hook (for final round of Blanket border only)

2.5mm crochet hook

3mm crochet hook (for joining motifs in Part 8 only)

Scrumptious Version

**Scheepjes Scrumptious** (50% Recycled Polyester, 50% Acrylic; 100g/300m)

Yarn A: 302 Buttercream Icing x 6 balls (+ 1 x 30g ball from colour pack)

Yarn B: 380 Black Sesame Muffin x 3 balls (+ 1 x 30g ball from colour pack)

Yarn C: 301 Charcoal Ice Cream x 4 balls (+ 1 x 30g ball from colour pack)

Scheepjes Scrumptious Colour Pack (50% Recycled Polyester, 50% Acrylic;

80 x 30g/97m)

Yarns D-BBBB: see relevant colourway schematic (Schematics 1-3) or assign your own colours using the Colour Lab booklet (included in Official Scheepjes CAL Kits)

3mm crochet hook (for final round of Blanket border only)

3.5mm crochet hook

4mm crochet hook (for joining motifs in Part 8 only)

**Both Versions**

#### **MEASUREMENTS**

Metropolis Blanket measures approx. 160 x 142cm, blocked Scrumptious Blanket measures approx. 176 x 198cm, blocked

Note: measurements per part and for some individual sections are given in each respective pattern part.

#### **GAUGE/TENSION**

Following measurements for Part 1 Motif forms your gauge swatch for this design; no separate swatch is made during the week before Part 1 is released.

Metropolis version: Part 1 Motif measures approx. 13.75 x 13.75cm before blocking Scrumptious version: Part 1 Motif measures approx. 17 x 17cm before blocking

#### **ABBREVIATIONS (UK TERMS)**

[ ] number of sts on a given round/row

**2dtr-cl** 2 double treble crochet cluster: \*(yoh) twice, insert hook in st/sp, yoh, pull up lp, (yoh, draw through 2 lps) twice; rep from \* once more in same st/sp (3 lps on hook), yoh, draw through all lps

**3dtr-cl** 3 double treble crochet cluster: \*(yoh) twice, insert hook in st/sp, yoh, pull up lp, (yoh, draw through 2 lps) 3 times; rep from \* twice more in same st/sp (4 lps on hook), yoh, draw through all lps

**2tr-cl** 2 treble crochet cluster: (yoh, insert hook in st/sp, yoh, pull up lp, yoh, draw through 2 lps) twice in same st/sp (3 lps on hook), yoh, draw through all lps

**3tr-cl** 3 treble crochet cluster: (yoh, insert hook in st/sp, yoh, pull up lp, yoh, draw through 2 lps) 3 times in same st/sp (*4 lps on hook*), yoh, draw through all lps

**beg pc** beginning popcorn(s): (beg tr, 3tr) in indicated st/sp, remove lp from hook, insert hook front to back in ch of beg tr, place lp back on hook, draw lp through to close pc

beg dtr beginning double treble: 1dc, ch2 (counts as 1 dtr)

beg tr beginning treble crochet: 1dc, ch1 (counts as 1 tr)

beg tr2tog beginning tr2tog: beg tr, 1tr in next st/sp (counts as 1 tr2tog)

**beg tr3tog** beginning tr3tog: beg tr, tr2tog (counts as 1 tr3tog)

**beg tr4tog** beginning tr4tog: beg tr, tr3tog (counts as 1 tr4tog)

**beg tr6tog** beginning tr6tog: beg tr, tr5tog (counts as 1 tr6tog)

**bobble** bobble stitch(es): (yoh, insert hook in st/sp, yoh, pull up lp, yoh, draw through 2 lps) 4 times (5 lps on hook), yoh, draw through all lps

**pc** popcorn(s): 4tr in same st/sp, remove lp from hook, insert hook front to back through first tr, place lp back on hook, draw lp through to close pc

picot ch3, work 1dc in side of st at base of ch-3 (instead of in third ch from hook)

#### **PATTERN NOTES**

The Colour Lab Blanket is made up of four panels, each with two parts (eight parts total). Panel 1 (Parts 1 and 2) is worked complete, then rem three panels are joined to previous panel as you go.

Use Schematics 1-3 throughout for colour placement for any sections where it is not given in the written pattern. Refer to all other schematics for guidance when joining sections, parts, panels etc. as well as to see how sections are laid out as you work join-as-you-go sections.

All beg/turning chs are omitted throughout due to relevant rows/rounds starting with beg sts that take this into account.

Pay close attention to RS/WS and turning instructions throughout, especially when new yarn is joined. Row-based sections **do not** always turn at the end of each row; this also applies to round-based sections.

When working edging or a border section evenly across row-ends, work 1 st in dc, 2 sts in tr, 3 sts in dtr, and so on as a general rule, adjusting to meet st count at end of relevant row/round as given where required.

Weave in ends as instructed throughout to save time at end of project.

Join-as-you-go sections can be joined using another method if preferred; however, this may result in different yarn amounts used compared to the original design, and possibly running out of yarn in certain colour(s).

#### **CHART & SCHEMATIC NOTES**

All joining schematics are created with right-handed crocheters in mind: if you are left-handed, please mirror all schematics for joining sections such that if a starting point is on the right-hand side, it will be in the corresponding position/stitch on the left-hand side.

PATTERN COPYRIGHT @ SCHEEPJES.COM

#### **SPECIAL TECHNIQUES**

#### Flat Braid join method

This method is a variation on the PLT join, used to join motifs by working ch3 through ch-3 sps. Work as folls: \*ch1, PLT join as follows: remove hook from lp, insert hook from front to back through corresponding ch-3 sp of adjoining motif, place lp back on hook, pull up lp to front of work (first PLT join complete), ch2 (first Flat Braid join complete), sk/work sts as indicated; rep from \* to end

#### PLT join method (pull loop through join)

Use this method to join motifs as you go as folls: \*remove hook from Ip, insert hook from front to back through corresponding st/sp of adjoining motif, place Ip back on hook, pull up Ip to front of work (first PLT join complete), work st as indicated; rep from \* to end

#### Ss join method (slip stitch join)

With yarn held at back and slip knot on hook, \*insert hook from front to back through both lps of both sts to be joined, yoh, pull up lp to front of work, draw through lp on hook; rep from \* in next sts to end

#### **Neater triple treble crochet stitches**

Tall stitches like ttr can look looser than shorter stitches like dc, resolve this by wrapping yarn ('yoh' steps) around hook tightly and close to hook tip

#### **VIDEO TUTORIALS**

Esther from It's all in a Nutshell has created video tutorials for the Colour Lab CAL. You can find the videos on her YouTube channel:

https://www.youtube.com/channel/UCE1NRfRvkj\_FaA6O7RXM9gw

#### **COLOURWAYS**

There are five set colourways for this design, all created using a single Scheepjes Colour Pack. The colour packs contain a ball of yarn in each colour of the full range, in smaller amounts than for the full-size range.

To create the unique colourways, the designer rearranged the placement of each of the 80 colours in the colour pack. Participants can either follow the designer's set colourways using Schematics 1-3 or rearrange the colour placement themselves using the table included in the Colour Lab Booklet, only available within the Official Scheepjes CAL Kit. For participants who have not purchased an official kit, a downloadable pdf will be released to assist those who wish to experiment with colour placement.
