PATTERN NOTES
In this part, two kinds of motifs are made using colors as shown in Schematic 1 of your chosen colorway. Make 40 motifs total in this part: 20 per motif instructed below. Once motifs are made, they are laid out with motifs from Part 7 and joined tog using ss join method (working through both lps and through st itself on raw edge), to form Panel 4. Edging round is worked around Panel 4 before being joined to Panel 3; all Blanket panels will now be joined. Lastly, a border section is worked around Blanket to finish.
Ss to beg of row/round before working beg sts where required throughout.
Use 2.5mm hook if using Metropolis yarn and 3.5mm hook if using Scrumptious yarn, unless otherwise specified.

MEASUREMENTS
Metropolis version: Solid Triangle Motifs (unjoined) measure 6.5 x 9cm; Granny Square Motifs (unjoined) measure 6.5 x 7cm
Scrumptious version: Solid Triangle Motifs (unjoined) measure 8.5 x 10cm; Granny Square Motifs (unjoined) measure 8.5 x 8.7cm

Fasten off and weave in ends.

JOIN MOTIFS FROM PART 7 AND PART 8 TO MAKE PANEL 4

Lay out Quarter Motifs, Solid Triangle Motifs and Granny Square Motifs from Parts 7-8 as per Schematic 1 for your chosen colorway.

Using a 0.5mm larger hook for this section only and Yarn C, join all motifs tog with WS facing (RS tog) in any order using ss join method (working through both lps and through st itself on raw edge) for all **vertical seams** first, working 17ss per vertical seam per motif. *Note: work through both lps when joining edges of sts, and work through the st itself when joining edges of row ends.*

Once vertical seams are joined, cont to join **horizontal seams** using ss join method in same way.

Fasten off yarn and rejoin yarn as required throughout.

Weave in all ends once all motifs are joined.

GRANNY STITCH EDGING

Follow red line of Schematic 16.

With RS facing, join Yarn A with ss in cnr tr of Solid Triangle Motif marked with green dot on Schematic 16, (beg dc, 1dc) in same tr, cont as folls, *treating the tr sts across the unjoined edge of each motif as ch-sps by working around post NOT in top of st as normal:* 2dc in next ch-sp, 3dc in next 14 ch-sps, 2dc in next ch-sp, *5dc in 'peak' st from same Solid Triangle Motif, (3dc in next eight ch-sps, 2dc in cnr of Quarter Motif) 3 times, 3dc in next seven ch-sps.

Cont to work decrease as folls: (yoh, insert hook in ch-sp, yoh, pull up lp, yoh, draw through 2 lps) 3 times in next ch-sp, (yoh, insert hook in ch-sp, yoh, pull up lp, yoh, draw through 2 lps) 3 times in next ch-sp, yoh, draw yarn through all 7 lps on hook (decrease complete). Cont as folls: 3dc in next seven ch-sps, (2dc in cnr of Quarter Motif, 3dc in next eight ch-sps) 3 times, rep from * once more, 5dc in 'peak' st from same Solid Triangle Motif, 2dc in next ch-sp, 3dc in next 14 ch-sps, 2dc in next ch-sp, 4dc in cnr tr of same Solid Triangle Motif *(pm in third dc worked in this cnr).*

[17 2-dc grs, 2 5-dc grs (peaks), 2 dc6tog, 152 3-dc grs (decreases), 1 4-dc gr]

Cont to work 23 3-dc grs evenly across next four Granny Squares and Quarter Motifs *ending in st before bottom left cnr-sp of panel*. [23 3-dc grs]

Cont to work (3dc, ch3, 3dc) in cnr-sp, work 5 3-dc grs evenly across Granny Square, (ch1, work 6 3-dc grs across Granny Square) 19 times *omitting final 3dc of last rep*.
[118 3-dc grs, 19 chs]

Cont to work (3dc, ch3, pm in ch-3 sp just made for starting point of next section, 3dc) in cnr-sp, work 23 3-dc grs evenly across next four Granny Squares and Quarter Motifs *ending at starting point*. [23 3-dc grs]

Cont to work 2dc in same st as beg dc *(pm in second dc just worked)*, ss in beg dc to join. Fasten off and weave in ends.

JOIN PANEL 4 TO PANEL 3
