LAZY SUNDAY

One thing I always look forward to is a relaxing, lazy Sunday, properly planned so I can spend my time crafting in a mindful way. A day to myself means my first treat is a little potter around the garden, wearing a cosy cardi over pyjamas to keep warm and cradling a steaming hot cup of tea. Then, it's time to snuggle up on the sofa, catching up on a box set or two. I'll while away the hours working on a simple project and enjoying the familiar, repetitive rhythms of knitting or crochet. More than likely, I will do a little of both – and perhaps even fit in a little sewing – and I'll still be there come the evening!

DOTTY HEADBAND

By Liz Barraclough

Measurements

54cm (circumference) x 5.5cm (max. width)

Pattern Notes

Headband is made from three pieces that are individually sewn and then assembled. Iron fabric before beginning and use Schematics 1 and 2 to note fabric dimensions for each pattern piece to plan layout before cutting. Use 5mm seam allowances throughout. Use largest turning tool from set to turn pieces RS out, taking care not to pierce fabric.

Abbreviations

RS right side(s)
tog together

Instructions

CASING

Step 1 Cut fabric strip 30 x 6.5cm. Fold fabric in half RS tog matching long raw edges and press. Sew along long open side, turn RS out and press.

Step 2 Cut 15cm elastic, and while keeping it flat, feed part way through Casing using safety pin, until end is level with raw edge of Casing. Sew across short edge of Casing to secure end of elastic.

Step 3 Continue to feed elastic until level with open end. Holding layers tog, remove safety pin and sew across short edge. Even out gathered fabric.

TOP BAND

Note: use Schematic 1: Top Band for guidance.

Step 4 With fabric folded RS tog, cut two pieces 7 x 41cm. Keeping pieces pinned tog, mark points 1cm from each corner on short sides and 6cm from each corner on long sides. Draw diagonal lines from each mark on short sides to nearest mark on long side and cut off corner triangles to taper ends.

Step 5 Find centre point of long sides and draw centre line. Mark points on long side 2cm from either side of centre line. Mark points along centre line 1cm in from each long edge. Draw diagonal lines connecting each mark on long edge to nearest mark on centre line. Cut out triangular notch drawn on each long side.

Step 6 With RS tog, sew around shape, leaving both short ends unstitched. Turn RS out using tool and press.

Step 7 Fold raw edges of Top Band under by 1cm. Insert raw edge of Casing in Top Band and topstitch to secure. Repeat at other end to close circle, taking care not to twist Casing.

BOW

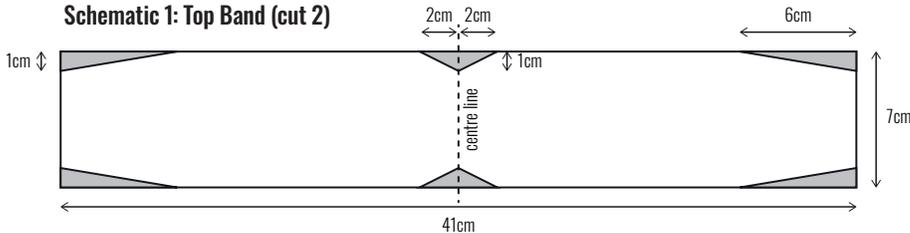

Note: use Schematic 2: Bow for guidance.

Step 8 Cut out two Bow pieces with straight edge positioned on fold. Pin RS tog and sew around edges leaving 4cm gap on one side of Bow in position indicated on Schematic 2. Reverse a few stitches either side of gap. Trim fabric at bow points close to stitching. Turn RS out through gap and press. Close gap by hand using ladder stitch.

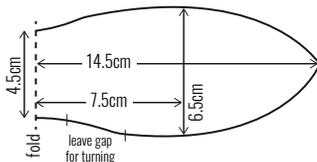

TO FINISH

Tie Bow around narrow centre section of Top Band.

Or try combining balls in **different colours!** Be sure to use the right size hook for the tension needed for your project.
