PATTERN NOTES

Read through *Tips & Tricks* document before beginning. Visit martinupnorth.com for video tutorials and additional photos. Patt is written assuming dpns are used for working in the round to make the Central Square, and circular needles are used for working straight in rows. Centre Square, Arrow Sections, Stripe Sections and Triangle are worked in moss st.

Construction

Note: all outside edges start with slipped stitches.
Middle Section: Centre Square is worked first, then each Arrow Section added to opposite sides of Centre Square.
First Half: Stripe Section One is added to Arrow Section worked in **Yarn A**. Next, Triangle Section, Mosaic Section, and Stripe Section Two are worked in order.
Second Half: Arrow Section Two is then worked in **Yarn B** to the opposite side of the Central Square. Next, Stripe Section One, Triangle Section, Mosaic Section, and Stripe Section Two are worked in order.
Part of Stripe Section Two may be repeated as indicated to add length if desired; however, more repeats will require more yarn.

Centre Square

Note: all rounds of Central Square are worked at RS of work, do not turn.

When changing colour in Centre Square, either carry yarn on WS or break yarn at each colour change. Colour changes are made by slipping new colour through first st purlwise.

Stripe Sections

Different stripe patts are repeated to form Stripe Sections. Stripe Section One has 12 stripes in total. Stripe Section Two has 10 stripes in total. Follow the Schematic: Scarf Layout. When working Stripe 2, Row 1 is worked with decrease as given to avoid gap.

Mosaic Section

Change colour every two rows; do **not** break yarn, carry it up the side. Colour changes are made on WS by purling last st in new colour.

INSTRUCTIONS

Knit Version Pattern: Photos

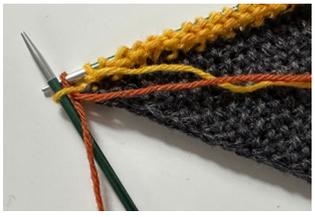

Stripe Section One Row 2 (Long)

		
Work Row 1 as below.	Using a dpn, pick up Yarn A bump at the top of the Arrow to create a new st, then pick up the 6 bumps along short edge of Stripe 1 as shown, including the bump of the first st on the left needle.	P2tog the last st of the row and the new st to avoid leaving a gap.

How to begin Mosaic Section

				
Create an extra st here:	Between the two stripes on RS of Scarf, you will find a bar at start of Triangle Section.	Pick up that bar, this is going to be your new st.	It should look like this.	Slip the bumps of Triangle Section onto the needle.

Mosaic Section Row 3

			
Work Row 3 until one st remains.	Join new yarn.	Purl last st using new colour.	Turn to RS and work next row.

How to begin Stripe Section Two

			
We will be working along the row ends as shown at the top of the picture.	Slip the dpn through the 43 bumps shown in red on the chart.	The st colours alternate, except for the two sts at the end, which are the same colour.	Work Stripe 1 as given in patt.
