PATTERN NOTES

Crochet version of Goldcrest Scarf consists of one Central Square with an Arrow Section, Stripe Section, Triangle Section, Mosaic Section and Continuation of Stripe Section on either side. After Central Square, each subsequent section is first worked on either side before working next section. Carefully refer to schematic throughout for the color order of each half. Stripes are added using a join-as-you-go method. Central Square is worked in the round, turning at the end of each round during color change; all other sections are worked in turned rows.

Aside from Mosaic Section, all parts are worked in moss st.

In Mosaic Section, cc in last st in row.

Use video and photo tutorials created by Martin Up North for guidance. martinupnorth.com
