PATTERN NOTES

Blanket is made using a variety of Square motifs, which are joined-as-you-go. Sections made up of Squares are separated by Border Sections. See *Schematic: Blanket Layout* at end of the pattern. When changing colours, join new colour during final yoh of last st before new colour. For the Clover Squares, do not fully tighten the magic ring until Round 2 has been completed. This allows enough space for etr sts. Work on RS unless mentioned otherwise.
