*Skip the first st, **which will be tricky to get into anyway.** Hdc in the next 8 sts. Make an hdc in the dc from Round 53 between the first and second Picot AND the next st, **which will be the third hdc made into the ch-5 sp (here and throughout).** This is your first 'catching hdc' {Photos 1 – 4}. Hdc in the next st. Make a catching hdc in the dc from Round 53 between the second and third Picot AND the next st, **which should be the fifth hdc made into the ch-5 sp (here and throughout) – Photo 5.**

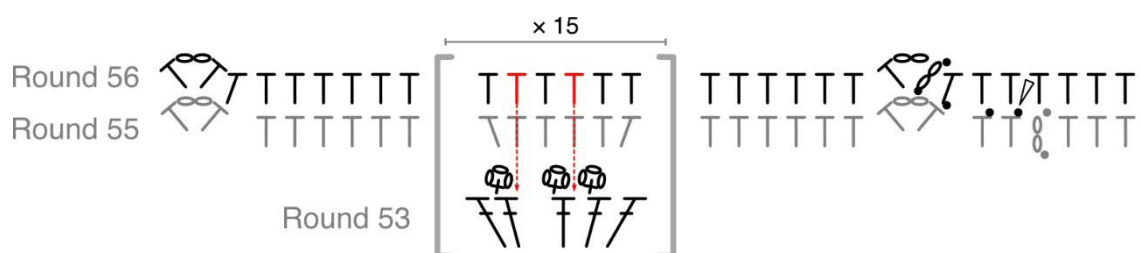

Please check these landmarks on every repeat. It is very easy to accidentally skip an hdc in this round.

(Hdc in the next 3 sts, make a catching hdc in the dc from Round 53 between the first and second Picot, hdc in the next st, make a catching hdc in the dc from Round 53 between the second and third Picot) **14** times. Hdc in the last 8 sts. [Hdc, ch 2, hdc] in the next ch-2 corner sp.*

Catch the fourth Petal of the Corner Flower by making a dc in the ch-1 sp of the fourth Petal **AND** the next st of Round 56.

Stitch Count per Side: 106 dc, not including ch-2 corner sps.

Tester's Tip: When making these 94 sts, you may find it easier to work in sets of 6 sts (**the 4th and 6th of which will fall in a 'catching dc'**) until 9 sts remain (15 repeats). Dc in the next 4 sts. This equals 94 sts – Susanne van der Wal

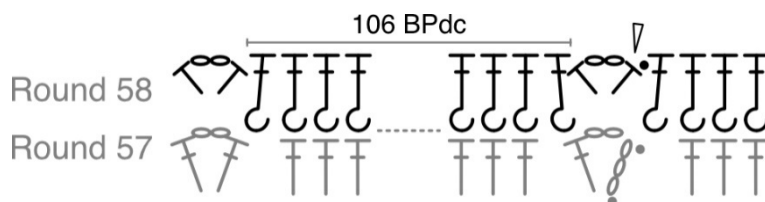

Round 58
