Universe in Bloom CAL

Part 12

In this part, we will create a simple Brick Stitch Border, finished with a Scalloped edge. I think this frames our Universe in Bloom beautifully, and makes me think about the yellow brick road from The Wonderful Wizard of Oz. I hope you have made some great friends along the way, much like Dorothy did in the book.

My hope is that you will find this part a relaxing and fitting end to this journey, with plenty of time to reflect and wind down.

Brick Stitch Border

- If you want to add this Brick Stitch Border (without the final Scallop Round) to an existing project, you will need a multiple of 3 + 2 stitches, not including ch-2 corner sps.
- If you want to add the Brick Stitch Border **and** the final Scallop Round to an existing project, you will need a multiple of 24 – 4 stitches, not including ch-2 corner sps.

You can find the chart for Rounds 77 to 87 at the end of this PDF.

Round 77

In this round, you will be working between stitches, not into them.

HINT: When counting the stitches to skip, I found it easiest to count the posts, making sure that there were 3 skipped posts between each sc.

If you know that you make your ch sts tighter than your other sts, you may wish to do this round (and the remaining similar rounds) with a slightly bigger hook.

Join your yarn by making a standing sc in any ch-2 corner sp around.

*Ch 2, skip the first hdc and make a sc between the first hdc and the first BPdc. (Ch 2, skip the next 3 BPdc, make a sc between the third and fourth BPdc) **until 1 st rem before the corner sp (94 times).** Ch 2, skip the last hdc, sc in the ch-2 corner sp. **Feel free to mark this corner sc if you are going to have trouble identifying it in the next round.***

Rep from * to * 3 more times, omitting the last sc on the last repeat. Join to the first sc with a sl st. Fasten off and work away your ends.

Stitch Count Per Side: 95 sc and 96 ch-2 sps, not including corner sc.

Suggestion from TESTERS/MAKERS: For the remainder of the blanket, mark the corner sps/sts with a SM to remind you that you have reached a corner and need to do something different. The remaining rounds are pretty no-brainer, so it is easy to just keep going and forget to make a corner :)

Round 78

In this round, you will only be working into the ch-2 sps from the previous round.

If you went up a hook size for the previous round, remember to go back to your original hook size for this round.

Join your yarn by making a standing dc in the last ch-2 sp of any side. Make 3 dc in the

same sp.

*Ch 2, make 4 dc in the first ch-2 sp of the next side, **removing the SM if you used one.** (Make 3 dc in the next ch-2 sp) **until 1 ch-2 sp rem before the corner sc (94 times).** Make 4 dc in the last ch-2 sp.*

Rep from * to * 3 more times, omitting the last 4 dc on the last repeat. Join to the first dc with a sl st. Fasten off and work away your ends.

Stitch Count Per Side: 290 dc, not including ch-2 corner sps.

Round 79

In this round, you will be working between 3-dc groups (except when otherwise specified).

Remember to go up a hook size for this round if you know that you make your ch sts too tight.

Join your yarn by making a standing sc in any ch-2 corner sp around.

*Ch 2, skip the first dc and make a sc between the first dc and the second dc. Ch 2, skip the next 3 dc and make a sc between the fourth dc of the round and the first 3-dc group. (Ch 2, skip the next 3 dc and make a sc between the 3-dc groups) **until 4 sts rem.** Ch 2, skip the next 3 dc, sc between the last 2 dc. Ch 2, sc in the ch-2 corner sp.*

Rep from * to * 3 more times, omitting the last sc on the last repeat. Join to the first sc with a sl st. Fasten off and work away your ends.

Stitch Count Per Side: 97 sc and 98 ch-2 sps, not including corner sc.

Round 80

In this round, you will only be working into the ch-2 sps from the previous round.

If you went up a hook size for the previous round, remember to go back to your original hook size for this round.

Join your yarn by making a standing dc in the last ch-2 sp of any side. Make 3 dc in the same sp.

*Ch 2, make 4 dc in the first ch-2 sp of the next side. (Make 3 dc in the next ch-2 sp) **until 1 ch-2 sp rem before the corner sc.** Make 4 dc in the last ch-2 sp.*

Rep from * to * 3 more times, omitting the last 4 dc on the last repeat. Join to the first dc with a sl st. Fasten off and work away your ends.

Stitch Count Per Side: 296 dc, not including ch-2 corner sps.

Round 87

Sl st in the next ch-2 corner sp. [Ch 3, 2 dc, ch 1, 3 dc] in the ch-2 corner sp. **This is your first corner Scallop made.**

Stitch Count Per Side: 117 sc and 38 Scallops, not including Corner Scallop.

The End!

Now all that remains is a gentle blocking and for you to give yourself a mighty big pat on the back for being AWESOME at crochet.

I hope you have enjoyed going on this adventure as much as I have!

Love, Dedri x
