PATTERN NOTES

Cowl is knitted in the round, changing colours every 4 rows. There is no need to cut yarn when changing colours, unused yarn is carried up on the inside. A jogless lift-and-knit technique is used to hide the uneven "step" or colour line when changing colours while knitting stripes in the round. Knit first round of new colour like usual, then lift the right leg of the stitch from the row below (in the old colour) onto your left needle. Knit this lifted stitch together with the first stitch of the round.

INSTRUCTIONS

Using Yarn A, cast on 80 stitches, join in the round being careful to not twist stitches. Place stitch marker to mark the beginning of the round.

Knit 4 rounds in Yarn A.

Knit 4 rounds in Yarn B.

Work in stripe pattern alternating 4 rounds of Yarns A and B until desired length is reached.

Make sure to use lift-and-knit technique on second round of new colour for neat stripes.

Cast off, leaving a long yarn tail for joining cast-on and cast-off edges together.

TO FINISH

Use mattress stitch to join cast-off to cast-on edge. Weave in all ends and block to measurements.
